

MEET ODYSS3A

THIS IS ODYSS3A

ODYSS3A IS A BRNO-BASED BAND PUSHING THE BOUNDARIES BETWEEN METALCORE INTENSITY, POP ACCESSIBILITY, AND ELECTRONIC SOUNDSCAPES.

Founded by Barca Kopečná and Michal BuSek, the project explores emotional extremes through heavy riffs, modern production, and catchy yet dark melodies.

WHAT ARE WE DOING

The band released their debut single SHINING in december 2025 and is currently in the process of producing their first EP.

BOOKING & ADVANCING

ODYSS3A is ready for club shows, support slots, and alternative/metal-oriented events.

Their genre-crossing sound makes them suitable for mixed-genre lineups, appealing to both heavy music fans and listeners of modern alternative pop.
